To Whom It May Concern:

It is a pleasure to introduce Jerry Cutchens and recommend him for a position in your company.

I have had the pleasure of knowing Jerry since 2004 when he and I worked together for the Emergency Medicine Learning & Resource Center. In his capacity there, he and I collaborated on many initiatives.

Jerry is an impeccable employee who is dedicated, creative, accurate, personable and his work reflects a level of pride not often seen in today's business settings. He knows how to balance budgets, personalities and projects all while giving both internal and external customers more than what they expect.

Jerry's work with vendors, marketing professionals, conference attendees, doctors and other healthcare professionals is remarkable.

Your consideration of Jerry is a smart move. Hiring Jerry is a strategic move forward.

Please contact me should you have any questions.
